"Learning With Conscience"

ANNUAL REPORT

2019-20

ANNUAL REPORT 2019-20

***Arise, Awake and Rest Not
Till the Goal is Achieved***

Swamy Vivekananda

With these thoughts in mind, We take immense pleasure to present this factual document of our school to appraise you all, how the Mission and philosophy of Disha College Of Higher Secondary Studies have materialized positively in the day to day working of our school since its inception on the 24th of June, 2019 and has placed itself, extraordinarily, in the voyage of the discovery of excellence in the field of education.

The philosophy

The school looks forward to establish an august temple of learning to educate and train people to become conscientious perform & to reach the goal. The Vision of the society is to build leaders of future by imparting meaningful & conscientious learning process to provide proper direction, momentum to their creativity and to imbue willpower to achieve. A lot of brainstorming opened ways in designing the school to develop it as a supporting system to achieve our goals be it the unique and aesthetic architecture, beautiful landscaping, International methodologies with CBSE curriculum, Quality teaching and learning programmes, ergonomically designed digital classrooms & furniture and the overall vision, mission and philosophy. We do not value sacrifice for price or reward. There should not be any recognition or differentiation on sacrifice. All our efforts, achievements, humiliation, pride and sacrifice should lead to educate human race and to Nirvana. In Disha Society we should live for attainment of wisdom and Nirvana. Learning is to articulate wisdom with the knowledge to attain higher altitude for oneself and in result for the society at large. Never give up

THE CULTURE KEEPS US BONDED.

Apart from preparing the children to qualify for purely academic demands, special efforts are being made continuously to enable them to face the challenge of the competitive world. Our Core Values are to Be a good human being Be true to yourself, Learn to grow. Your journey towards greatness, With wisdom comes respect, humbleness and empathy. It's a matter of great importance to us that the students who pass out from our institution should carry forward the culture they have inherited, imbibe values that are practiced in School, excel in whatever they do and be role models in the society. So the thoughts started shaping into planning. Plans started moving towards action and actions started showing their result to create such a learning environment which really interesting and exciting to students, passionate and loving to the teachers. and get onboard in their journey in the School.

1. ACADEMIC EXCELLENCE

CBSE Class 12 Board Result 2018-19

We are proud to announce that 4 of our students scored more than 90 percent. 43 students bagged first division. 25 Students bagged Distinction. 100% passed percentage in Physics, IP and English. Our Top Scorer is Abhinav Lodh (95%) from Maths Stream.

We are proud to announce that we had 100% pass result in class 10.

4 of our students scored more than 90%. 30 students bagged first Division out of 51.

20 students bagged Distinction.

Our Top scorer are Keshav Gupta (95%),

Ayusha Agrawal (93.4%) and Kunal Kant Sahu (92.4%)

JEE MAINS 2020

It is matter of great pride for DCHSS that Nikhilesh Agrawal student of class 12 Science Stream cleared JEE MAINS 2020 and secured 97.2%.

Jatin Agrawal student of class 12 Science Stream cleared JEE MAINS 2020 and secured 90.35%.

CBSE ASSIGNED OUR SCHOOL AS LEAD COLLABORATOR IN HoL

CBSE Board assigned the schools under HoLs (Hubs of Learning). Each HoL constituted of 4 to 6 schools in the neighborhood. We want to announce with immense pleasure that our school has been chosen as a 'lead collaborator' by the CBSE Board on the basis of our high performing Scholastic and Co- Scholastic Activities and Excellent CBSE Board results.

2. THE CURRICULUM

With immense support for a meticulous execution, the school made a conscious decision to implement the CBSE curriculum in the school as it provides for National Benchmarking and standards par excellence in content, delivery, assessments and professional development of the faculty. This curriculum complements other boards with the added advantage of providing flexibility for innovation and improvement from time to time.

We religiously follow the latest teaching learning methods, to make the classroom learning more interesting and enduring. We tailor made the teaching learning methods to be culturally sensitive, to identify learner's strengths and limitations, support learning & development and can suit individual learner's needs.

CENTERS OF LEARNING

The classrooms are transformed to become learning hubs, to be lesser on teacher-led venues... more on activity-based learning and much more as student-led teaching, learning methods....

The Science and Math Labs are set for an effective use, as and when the curriculum demands... and being put into use for grades III to VIII. The computer lab has been utilized for multiple purposes like Computer Science lab and English language Lab.

Library has been more equipped with interesting and relevant books for the students...

Music and Dance rooms positively vibrant with lovely music and elegant dance performances... every event or celebration at School had beautiful presentations from the students...

AV Room and Premium Room have been a great resource to conduct meetings, orientations, teacher training sessions, workshops, events & celebrations.

OUR METHODOLOGY – OUR PRIDE

Teaching and Learning aids and thought and prepared by the teachers themselves.. which focuses on customized learning.. Well-structured lesson plans and activity planners to match the academic calendar of the school, are the supporting tools for a perfect weaving of the academic programme. Technical support, as already present in the a school, as upgrade Digital tools and Innovative Technological contents, helped the teachers and the students to move on in their daily tasks of teaching and learning with more enthusiasm and effective learner outcome. An activity based, student centered classroom culture, continued to take its priority, as was in the previous academic year to.

Well trained and experienced teaching fraternity to meet all the above expectations of the School. Effective, experienced and compassionate teaching team is our strength They are the pillars of support to implement the above said methodologies their experience in dealing with the enormous energies of the students add flavour to our vision. Our teachers have shown a growth graph in performance, attitude and behaviour of the students in a very short span. This speaks immense trust that would give more feathers in our cap.

OUR CHECK POINTS.

Monthly tests and Class tests are as check points, worksheets for concept reinforcement, weekend homework apart from the regular schedule of homework, tiny projects, holiday assignments, have become a part of our academic planning and implementation schedules. With all this grooming happening on one side, we all very well cautious to follow the academic calendar, complete portions on time, give sufficient revisions of the concepts taught and conduct assessments. The prior knowledge tests at the beginning of the academic year, Spell Bee & Monthly test & Pre Mid Term and Mid Term Exam assessments, competitions and competitive examinations happened as scheduled.

REMEDIAL CLASSES

We have also conducted Remedial Classes for the students. Our teachers assigned for clear their doubts and provide them remedial solution. The students of the Subject enrichment group were trained to face the Olympiads and competitive exams. We have gained a lot of confidence as the students of the Learner Improvement group improved from the existing level of performance, upwards.

WE ARE FULLY EQUIPPED WITH THE BRAINS FULL OF KNOWLEDGE, COMPASSION AND DEDICATION....

Our teachers attended Teacher training programmes like CAPACITY BUILDING PROGRAMS, SEMINARS AND WORKSHOPS time to time to rejuvenate themselves and update with the changes in the teaching methodologies and curriculum framework.

New teaching techniques were introduced as a part of upgrading ourselves to meet the dynamic students and address their multiple intelligences. Experiential learning, Innovative classrooms, blended learning, innovative lesson planning, creative teaching resources, etc..

3. CO-CURRICULAR ACTIVITIES (CCA)

The personal care that the teachers show towards their students in the classroom and outside, have improved many students in different areas of expertise like.. spellings, hand writing, reading & writing, reciting mathematical tables, speaking, learning the concept and reflecting during assessments..

As a part of learning, yet, we have art & craft, Music & dance, literary and cultural, Inter House competitions conducted throughout the year. With the school focus on academics, we expect that all our students will benefit greatly from these well rounded programmes.

The School implemented.. the house system (BRAMHOS, LAKSHYA, SURYA and VAYU) and is continuing for better performances of students Apart from all these, as promised, we have conducted number of scholastic competitions in the School like.. elocution, story making, pick and speak, GK Quiz, picture story, story writing, making new words & sentences, collage making, etc. Under co-scholastic category, we have conducted many competitions.
